Non-Woven Combine Dressing

A highly absorbent wound dressing

Non-Woven Combine Dressing

Abundance® combine dressings are wound dressings consisting of a highly absorbent thick layer of fleece enclosed in a soft and conformable non-woven fabric, folded over to form a flat tube.

The non-woven covered pads have soft end seals to prevent pressure areas from forming. The pads offer virtually no linting. Packaged in individual sterile pouches.

Latexfree

Features

- Non-woven facing with cotton.
- Available in multiple sizes.
- Hydrophobic backing.
- Multiple layers.
- General use.
- Latex-free.

Benefits

- Diffuses liquid throughout pad. Highly absorbent.
